Education

- **PhD. in Mathematics** Middle East Technical University, Ankara Oct 2026 – Ongoing

- **M.Sc. in Mathematics** Middle East Technical University, Ankara Oct 2023 – Sep 2026
  Thesis: *Moduli Stacks of Hyperelliptic Curves*
  Advisor: Ali Ulaş Özgür Kişisel
  Co-advisor: Kadri İlker Berktav

- **B.Sc. in Economics** Middle East Technical University, Ankara Aug 2017 – Jul 2023

Research Interests

Homotopy theory, algebraic geometry, geometric representation theory

Relevant Coursework

Graduate Algebra, Commutative Algebra, Algebraic Geometry, Algebraic Topology, Homotopy Theory, Real and Complex Analysis.

Teaching Experience

- **Student Teaching Assistant** METU, Ankara Oct 2022 – Jan 2023
  - Held weekly recitation sessions and office hours for *Econometrics II* course.
  - Prepared weekly problem sets.

- **Student Assistant** METU, Ankara Mar 2022 – Jun 2022
  - Assisted in undergraduate *Econometrics I* course with problem solving sessions.

Skills

Programming: Python, R, LaTeX, C++ (basic), Stata (intermediate)
Languages: Turkish (native), English (fluent), German (beginner)
